Work Experience

Website Designer, Microsols Soft Solutions, Faisalabad
March 2017 - February 2018
I have spent one year utilizing my expertise in WordPress development to create and maintain dynamic and engaging websites. Collaborating with the team,

Business Development Manager, Vicky Ventures, Faisalabad
February 2018 - January 2019
- Developed and implemented successful sales strategies to increase revenue by 12% in one year.

Wordpress Developer, Dtek Solutions pk, Faisalabad
March 2019 - June 2023
- Developed multiple websites using the Wordpress platform, ensuring each website was designed and optimized for all devices.

Level Two Website Developer, Fiverr (Freelance), Remote
March 2017 - Present
As a Fiverr Level Two seller and experienced freelance WordPress developer, I bring a proven track record of delivering top-quality solutions to clients. With a deep understanding of WordPress and its intricacies,

Web Support Enigneer , Cbc Energy Uk (Part-Time), Remote
April 2020 - January 2022
Experienced web support engineer at CBC Energy, adept at resolving hosting-related issues and efficiently managing WordPress websites.
